# Looking for Family Readiness Volunteers!

Volunteer Appreciation 2020

Volunteer Appreciation 2019

Have you ever wanted to feel like you are part of your Marine or Sailor's unit? A great way to do that is to become part of the Unit and Family Readiness Program as a Family Readiness Assistant or Volunteer. As a Family Readiness Assistant, you will play a vital role in helping maintain the readiness of 2<sup>nd</sup> Marines "Marine Family." By becoming a volunteer, you will assist the Deployment Readiness Coordinator (DRC) in planning, coordinating, and execution of unit events. It is also an opportunity to meet other family members in 2<sup>nd</sup> Marines and make some friends and you become part of the support group that assists one another and other members of the unit. We welcome you to provide new ideas and to assist with planning unit Family Readiness activities. So, whether you have plenty of time or only a few hours a month, we would love for you to become part of the Family Readiness program! If you would like more information on volunteering, contact the DRC at 910-381-6778. We look forward to hearing from you!

"To support my husband in ministering to all the active duty members and their families and to set an example of service for my girls." **Lexie T.**

Christmas Gift Assistants (Santa's Elves)

"I volunteer so that I can be involved in positive things that are going on in my community, and to make a difference." **Megan L.**

"To help me understand the ins and outs of this ever-changing military family life. I also love the sense of community that is felt from going through various experiences with other military spouses." **Chances J.**

I volunteer to help other wives navigate this lifestyle. There is so much knowledge and information to be shared and I love being able to share that with others to better our families and the battalion." **Joy P.**

This is the official 2nd Marine Regiment Family Resource group! This is the group where the people who are special to the Regiment come to connect with the Command, with other families, their Marines, and resources that make our Marines and families stronger- because the people who are special to our Marines are special to us. Please feel free to express your opinion about the Marine Corps in an objective and respectful way that allows for continued development of information relationships. This resource page is also intended to be family-friendly. Please keep your comments fair, professional, and clean. If you would like to become a member of this group, please [click here](#). In order to be part of this group you must be on your Marine/Sailor's authorized contact list. When you request to be part of the group, please let us know your Marine/Sailor's name.

### **Face Covering Policy**

Per updated DoD guidance in areas of substantial or high community transmission, all personnel – vaccinated and unvaccinated – are required to wear a mask in indoor settings on installations. This applies to all service members, dependents/beneficiaries (retirees), federal employees, onsite contractor employees, and visitors entering installation facilities.

### **HPCON Elevation to Bravo +**

To slow the community transmission of COVID-19, preserve healthcare capacity, and protect Department of Defense Education Activity (DoDEA) and public schools prior to the upcoming school year, MCB Camp Lejeune and MCAS New River have elevated their Health Protection Condition (HPCON) from Bravo to Bravo +. The following restrictions are now in effect:

1. Restrictions to classroom training
  - a. Suspension of all non-essential indoor classroom instruction until after mass vaccination.
  - b. Mission essential indoor classroom instruction requires:
    - i. LtCol-level approval
    - ii. Six feet spacing
    - iii. Continued wearing of masks at all times

- iv. Training aids and devices not shared
- v. Daily screening for symptoms

2. Individual commands must ensure:

A. Symptomatic Personnel: Individual commands must ensure personnel who are symptomatic (vaccinated and unvaccinated) seek testing immediately and isolate at home or barracks pending the test results.

B. Unvaccinated Close Contacts: ROM immediately for 14 days from the date of exposure to a confirmed case. Seek a COVID-19 test 3-5 days following the exposure. A negative test does not remove the 14-day ROM requirement.

C. FULLY vaccinated Asymptomatic Close Contacts: Seek a COVID-19 test 3-5 days following the exposure, but may continue to work as long as they remain asymptomatic and wear a mask. \*Supervisor discretion IRT remaining at work or sent home. IF they test positive, they must isolate at their home/barracks 10 days from the date of their positive test OR the date their symptoms first appeared.

3. Units and activities must strictly enforce ROM protocol on service members and employees to ensure that they do not circulate the base while sick.

4. Restrict the size of indoor gatherings on base and encourage Marines and Sailors to avoid large gatherings off base.

5. Commanders, AC/S and Special Staff Directors consider telework and port/starboard work schedules when needed to protect capability. If possible, employees should be organized into cohorts and the cohorts kept separate to reduce chances of cross-contamination.

6. Commanders, AC/S and Special Staff Directors consider telework for at-risk employees.

For the latest information on COVID-19, vaccine clinics and testing sites, please visit <https://camp-lejeune.tricare.mil/Getting-Care/Visitor-Guidelines/COVID-19>

**Location: New River Marina -Picnic Shelter**

Join the School Liaison as she reads "Giraffes Can't Dance" by Giles Andreae to K-5 students. The story goes on to show that everyone has different sides and most are quirky in some way. There are many lessons packed into this story; be true to yourself, believe in yourself, be kind to those who are different, explore new possibilities, everyone is able to succeed. It is great for those children who may feel different or left out. Children will receive a book (one per family), dance, and make crafts. Open to the first 12 families to register, kindergarten -5th graders. Storytime will be held outside. Covid precautions will be in place. (Inclement weather location will be at the SLO office, Bldg 780, Brewter Blvd, Rm. 12.)

**Bldg. 799B Brewster Blvd., Camp Lejeune**

**Monday - Friday: 7:30AM - 4:30PM**

**National Suicide Prevention Lifeline**  
**Call 1-800-273-8255**  
**Available 24 hours everyday**

Saving lives requires vigilance. Each tragic loss to suicide has far reaching impact on families, friends, and Marines left behind. At the unit level, suicide effects morale, unit cohesion, and ultimately unit effectiveness and readiness of Marines. Our prevention programs are designed to help Marines who are thinking about suicide or engaging in suicidal behavior, and those who may be at risk for suicide because of a mental disorder, or because they belong to a group with higher rates of suicide attempts or deaths. Services provided are:

- Develop in all Marines the skills needed to recognize and address suicide warning signs, which include appearing overwhelmed by recent stressors; experiencing a fall from glory, loss of honor, and change in status within a unit or relationship; withdrawing from friends, family and society; losing interest in hobbies, work and school; feeling helpless, worthless and trapped in a situation.
- Common risk factors and triggers that should not be ignored are legal or disciplinary problems, relationship problems and financial problems. Substance abuse, behavioral health diagnosis and Permanent Change of Station (PCS) problems appear to increase risk for suicide.
- The DSTRESS Line provides 24/7 phone, chat and Skype line counseling services utilizing a “Marine to Marine” approach.

- Confidential care worldwide ensuring access to behavioral health services and assisting Marines and families in navigating the many support resources available.
- Care coordination and continued 90 day follow-up through the Marine Intercept Program for all Marines identified with suicidal ideation or attempt.
- Conquering Stress with Strength is the newest practical application workshop facilitated by Marine Corps Family Team Building providing skills to effectively respond to high-stress situations that include suicide prevention.

Learn More - Marines, Sailors, and their families may access help directly through Community Counseling Program. There is no wrong door for getting help. Counselors conduct screenings, actively assess needs, provide counseling, and connect Marines and families with additional resources through referrals and direct handoffs between programs and facilities. If you recognize warning signs or believe someone is in immediate danger, call 911 or seek help from a mental health care.
